Hellabrunn Zoo: Your wild adventure starts here!

Founded in 1911, Hellabrunn Zoo is one of Munich’s most popular attractions. Set in the beautiful Isar Meadows conservation area in the heart of the city, the zoo is home to exotic and endangered species from five continents - grouped geographically under its geo-zoo concept. Visitors are invited to get up close and personal with some of their favourite animals. The spacious enclosures and green paddocks ensure a pleasant atmosphere for the animals and people. Visitors can also enjoy a range of exciting, hands-on learning activities or take a break at one of the many restaurants and children's playgrounds around the zoo. With over 740 species of animals to discover, Hellabrunn Zoo offers a rare opportunity to explore the diversity of life.
